# My Testimony

The Lord led me to write down this testimony telling you the wonderful things he has done in my life. Hope that through this testimony, those who have not yet believed in the Lord may believe and be baptized, born again and be saved, and walk in the path of eternal life. Thank the Lord for his love, his grace, mercy and blessings, all glory to him.

**First experience with God**

I started attending church in 1988. After a while, one Sunday I spoke with a pastor, saying I had no experience that convinced me that it came from God. During our conversation, he mentioned a book written in English called "The Queen of the dark Chamber." That day, I wanted to borrow a book from the church library, and I randomly picked one from the shelf. This book was called " The Queen of the dark Chamber" written in Chinese. What a coincidence! I asked God for an experience to convince me that it came from Him, and the pastor mentioned a book, and I randomly picked one from the shelf—it was the same book he had mentioned. Thank God!

**I had a dream**

After attending the church for a while, I had a dream one night about my classmate who had brought me to the church. I had a habit of keeping a diary at the time, and I was writing it in the university library. I wrote about the dream I had about my classmate, and just as I was writing that, I saw my classmate walking up to me. This was another experience the Lord had given me. Thank the Lord!

**My baptism and born again**

John 3:3,5 3 Jesus answered and said unto him, Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God. 5 Jesus answered, Verily, verily, I say unto thee, except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

I'd like to share my baptism experience. I was baptized in 1990. Before my baptism, I knelt down with the pastor and prayed, committing my life to the Lord, letting Him be the Lord and King of my life. Immediately after prayer, I experienced the Holy Spirit entering my heart from above, which was very touching. Just as the Apostle Peter said in Acts 2:38, "Repent and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins, and you will receive the gift of the Holy Spirit." During my baptism, I experienced what the Bible speaks of receiving the Holy Spirit, that is, being born again. The night after my baptism, as soon as I closed my eyes, I sensed the joy in my heart. This joy did not come from myself, but from the Holy Spirit. The Bible speaks of joy in the Holy Spirit. Galatians 5:22-23 22 But the fruit of the Spirit is love, joy, peace, forbearance, kindness, goodness, faithfulness, 23 gentleness and self-control. Against such things there is no law.

Earlier, we saw that a person cannot see or enter the Kingdom of God unless he is born again. Baptism and receiving the Holy Spirit mean being born again. This is the beginning of a new life, the beginning of the spiritual life.

**Lower back pain was healed after prayer**

One day, a colleague came to my office. He told me that he had lower back pain. I asked him what happened. He said he didn't know either. I was thinking whether I should pray for him. The next day I passed by his office and he told me again that he had lower back pain. I asked him whether I should pray for him. He said yes. Later I laid hands on his lower back and prayed for him.

After a while, he said it was better, I laid hands on him again and prayed for him. The next day I saw him and asked him how many percent better. He said 50% better. He said that he could not stand straight the day before, and now he could stand straight. Later, he was getting better every day. After a week, he told me that he was 80%~90% better. The week after that he said that he was 95% better. Later he was completely healed. Thank the Lord, glory to His name.

**Dream about our late senior pastor**

In 2019, I had a dream, in the dream our late senior pastor showed me writing notes for Bible verses, writing note, more note. Next picture in the dream was that young coworkers were serving the Lord, reminding me that I should server the Lord. A few days later in the church our pastor was chatting with a few of us after the bible study, he also shared about notes, he mentioned about someone's notes on bible verses.

I wrote notes for Bible verses before, sometimes didn't know what to write, Thank the Lord for his leading and help, now I write more notes for Bible verses, I didn't know that later I shared notes to WeChat and my gospel website, this dream told me what I would do in the future.

Hebrew 12:1 Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us.

Here it talks about cloud of witness surrounding us, I head messages revealed from Lord Jesus that saints in heaven pray for us, sometimes the Lord allows them to appear in our dreams, that is what I experienced.

**Arm numbness got healed after prayer**

A friend who came to our church told me that there was numbness in his left arm, I prayed for his arm once for a while, then I asked him how he felt, he told me that there was no improvement. One Sunday I met him in the church, I prayed for him and continued praying for him in the following days, I met him again the following Sunday, he told me that the arm numbness was gone. Thanks for Lord, glory to His name.

**The LORD gave us a medium size pan we wanted**

We had a medium size pan which was broken, so we would like to buy a new one. We went to a couples of stores to look for a suitable one. I showed a couples of pans in the stores to my wife, she said she would like to buy a pan whose top and bottom is whole piece and it lasts longer, but we could not find one in the store.

Sometimes later we invited a few brothers, sisters and friends to our place for dinner, one of our friends gave us a pan which is exactly what we wanted, same size, top and bottom is one piece. This friend bought whole set of pans and gave us one. Thanks the LORD, he provided us what we needed through this friend.

**Another dream**

During the pandemic, we gave a gift to a brother in our church. Later, I had a dream, in my dream our church's late pastor gave me a gift. When I first received it, I knew what it was, but after a while, I didn't know what it was. The dream meant that heaven remembers what we do for our brothers and sisters in the church, and we will all receive a reward from the Lord.

And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward." (Matthew 10:42)

The Bible says here that if you give a cup of cold water to our brothers and sisters, you will receive a reward from the Lord.

**Unbearable Headache was healed after prayer**

One day my wife and I went to visit an old couple. They are old brother and sister. The old sister's health is not very good. I asked her whether she has any health problems which I can pray for her. She told me that she had headache and other problems. She had unbearable headache, I prayed for her from time to time. Later I talked to her over the phone and she told me that she had no more unbearable headache. Thanks the Lord for healing her headache. Glory to His name.

**Sharing on “draw near to God, He will draw near to you”**
One day I shared a short message on WeChat on “draw near to God, He will draw near to you.” quoting James 4:8. I shared it on Saturday, the following day on Sunday, the Pastor in our church shared the same message “draw near to God, He will draw near to you.”. Later I was thinking to listen to prayer quiet time music on YouTube. The first verse came up in the video was also “draw near to God, He will draw near to you”. Thank the Lord.

**The Lord led me to write songs**
I got the melody of a song many years ago, then I wrote the lyrics and left it aside. At the end of 2020, I had a dream, in the dream a brother I knew many years ago came to visit us, he played the songs he wrote, then I told him I also wrote a song and I sang the song to him, I remembered the lyrics in my dream, then we walked and talked, then I heard the song written by our late pastor which was the only song he wrote, then the brother told me about another brother whom I also knew, he wrote many songs, and he told me that this brother had gone to Africa, meaning that I should write songs, I got the feeling that I would write many songs. When I woke up the next day, I thought that maybe the Lord wanted me to write songs, later the Lord confirmed that. So I edited the melody and the lyrics of the 1st song I wrote many years ago, then started to write 2nd song and I completed quite fast. So far I have written more than 170 songs. Thank the Lord.

**Headaches healed after prayer**
A sister told me that another sister had a very severe headache with dizziness, vomiting and tinnitus. It had been a while, and she didn’t have a family doctor. She asked me to pray for her. I prayed for her often. Nine days later, she told her that she had no more headache the previous day. Thank the Lord for his healing, glory to the Lord.

**Songwriting Testimony**
I wrote a song called "God Cares for You". Not long after I wrote it, I found a sister sharing a scripture in a WeChat group: Cast all your anxiety on him because he cares for you. (1 Peter 5:7) and a brother shared the scripture: Commit your way to the Lord; trust in him and he will do this. (Psalm 37:5) The lyrics of the song I wrote also use these two verses, thank the Lord.

**Other testimonies about the song**
One Saturday, I posted a song I wrote on WeChat, the song is called "Praise God who gives us strength," with lyrics from Psalm 73: “Whom have I in heaven but you? and earth has nothing I desire besides you.” I took a walk downstairs in the basement in the evening and wanted to listen to a song from a hymn account on WeChat. As soon as I opened it, I found the song called "Besides you". The lyrics also quoted from Psalm 73, thank the Lord. The next evening after I finished writing the above testimony, I went downstairs for a walk, opened the same hymn account on WeChat, and found a song called "The Persistence of life". After listening, I found that the lyrics of the song quoted also from Psalm 73 about “Besides you”, next evening I listened to YouTube songs “the string of praise” on TV, “the string of praise” group sang the song "Besides you", thank the Lord. I hope that the lyrics of the song become reality in our lives, that is we put loving the Lord first in our lives.

**I saw Lord Jesus in my dream**
I had a dream, in my dream my wife was with me, and I was floating and flying above the ground on the same level for some distance, I was floating and flying not too height above the ground. The next theme was that I saw Lord Jesus in the front of me talking with a few people and I didn’t say anything, the Lord Jesus looked shorter than me, after a while, he became taller, then the picture became blur. After a while I asked him a question: Should I prepare an emergency bag to

take away in case of emergency, but I got no answer. Actually we already had an emergency bag prepared with passport and important documents inside. I didn't know what this meant. Later I read messages about preparing an emergency bag for the time of emergency in the last days. I know in heaven we can fly, and I also know that the Lord can change his appearance and size. Thank the Lord for the dream.

**Other testimonials about songwriting**
One day I got the melody of a song, and I recorded it and then wrote the lyrics of a song called " Seek the Lord while he may be found", after I put the lyrics and melody together, they have exactly the same length, thank the Lord.

**Shingles got healed after prayer**
One sister told me that another sister had shingles for almost three weeks. She had seen a doctor more than two weeks ago and taken medicine, many small herpes were scarred, but the pain was still there, and now there was neuropathic pain which was as unbearable as an electric shock, she asked me to pray for her. After praying for her for some time, I asked her if she was better. She told me that the sister said that the pain was gone a long time ago, later it was mainly uncomfortable itchiness, now it was much better. She hoped that the skin color would recover soon, thank the Lord.

**Dream of My Deceased Mother**
My mother was baptized, but her faith was not very clear. Some time after she passed away, I had a dream in which I saw my mother. She looked very young, around thirty years old, a bit chubby, and her face looked a bit long—though in reality, my mother had a rounder face. Then she asked me, "Do you recognize me?" Thank the Lord for giving me this dream to encourage me that He has already accepted my mother. Praise the Lord!

**My Deceased Father Called My Name**
After my father passed away, I was very sad and did not know whether the Lord had accepted him. Upon learning of his death, I prepared to return to China to attend his funeral. On the morning of the day I was to return, my father called my name and woke me up. I heard the sound of him calling my name very clearly, just as if he were speaking to me face-to-face, and I couldn't hold back my tears. I know the Lord has already accepted him; a former neighbor of ours had shared the gospel with him, and he had made a prayer of confession. Praise the Lord!

**Encouraged by the Lord after building a Gospel website**
The Lord asked a question: "If I grant you success, what will you do for me?" I said I would build a gospel website. One day, I took a day off from work to work on the website at home. After I finished it and it was ready to use, I went upstairs of our building's to the swimming pool. As soon as I returned home from swimming, it started pouring rain. Praise the Lord for His encouragement.

**Got back the withheld money**
During the Spring Festival of 2024, we went to China for a visit. Before going, my wife sent some US dollars to her brother's account in China, hoping to use the money when we were in China. When we were in China, her brother never received the money. After we returned to Montreal, we went to the bank to check what was wrong, and the bank staff told us that the money was withheld by the relevant department of the US government and asked us to apply for a certificate. Without the certificate, we could not get the money back. The reason was that they wanted more detailed information about my wife's brother, and we did not provide it in time. The bank sent an email to my wife's gmail account when we were in China, but gmail was not accessible in China. The application procedure for the certificate is very complicated and must be approved by the relevant

department of the US government. We prayed urgently. My wife was worried that we could not get the money back. I asked the Lord, and the Lord's word came to me, "I will judge in your needs" which means that we can get the money back. After the money was withheld for several months, finally we got it back. Thank the Lord!

**Taking a walk with the Lord**

One day after dinner, the Lord asked me to take a walk with Him. So I went out for a walk with my wife. The Lord is presence, when we take a walk, we take a walk with the Lord. After walking for a while, I got pain in my left foot. I continued walking, but the pain persisted. I wanted to tell my wife that we should go back and not walk anymore, but the Lord wanted me to take a walk with him, and I thought I could definitely walk. So I walked and prayed, and after a while, the pain in my left foot was gone. Thank the Lord.
